SPA TREATMENTS & PROGRAMS

The Spa at Colonial Williamsburg in Williamsburg, VA, has debuted its Wi-Fi Massage to soothe technologically tired muscles. Focusing on the hands, neck, arms and shoulders, the massage helps flush out toxins, ease aches and pains, and ends with cool lavender eye pillows. 800-688-6479

The Men's Facial has recently been introduced to the menu at the Spa at the Mandarin Oriental, Miami to help purify, hydrate, balance and protect men's skin for its specific problems. The relaxing treatment also includes a face, shoulder and scalp massage, as well as lymphatic drainage. 305-913-8332

Women getting ready to walk down the aisle can now partake in the Beautiful Bride package at The Medical Spa at Nova in Ashburn, VA. The package is a beauty trifecta—working with a dietician, sessions with a personal trainer, and personalized spa treatments for glowing skin on the big day. 703-554-1130

Services such as the development of treatment protocols, composition of operation, employee and training manuals and the establishment of operational checklists and detailed employee job descriptions are now available from the spa business consultancy Operation Spa. 877-677-7248, operationspa@sbglobal.net

Helping clients between the ages of 28 and 40 look younger, Cosmetic Laser MD in Livingston, NJ, recently debuted its Portrait Plasma Facial. The sophisticated treatment delivers low-level nitrogen plasma into the dermis, aiding in replacing old collagen and elastin and helping improve wrinkles, skin laxity, texture and photodamage. 973-716-9000

Blue Medi Spa has introduced the TipToToe service, which offers a one-stop, whole-body extreme makeover option under one roof. Through a consultation, a Beauty Concierge and client create and work through a plan to beautify the client using plastic surgeons, cosmetic dentists, trainers and nutritionists to provide a comprehensive and holistic transformation. 888-955-2583

As part of a VIP package that includes a private chef, unlimited spa and salon services for five hours, and the use of amenities such as a whirlpool and sauna, Scottsdale, AZ's The Lamar Everyday Spa now offers The \$10,000 Spa Day. The package provides for 25 people and is dedicated to making sure the entire group feels renewed. 480-945-7066

Sundara Inn & Spa in Wisconsin Dells, WI, has launched the Sundara Shop-and-Spa Escape package, which includes a \$50 gift card to the local outlet shopping center, a restoring organic pedicure and a chef-prepared spa breakfast buffet. 608-254-1011

Permanent makeup, infrared sauna offerings, a steam shower, acupuncture and three life coaches focusing on trauma, finances and family are now available at Tranquility Skin and Body Care Center in St. Charles, IL. 630-762-9864

Milk, cookies and family fun are part of the package with Aquae Sulis Spa's new Mommy and Me Manicures and Pedicures. Located at the JW Marriott Las Vegas Resort and Spa at Summerlin, NV, the spa's tempting service includes delectable treats for the taste buds, hands and feet. 877-869-8777

Pure olive oil and sugar are used to exfoliate the skin, which is then brushed with a layer of warm honey, in SPA InterContinental Boston's new La Peau au Miel treatment. French for "skin of honey," the service also includes a wrap and a jar of organic honey for the client to take home. 617-217-5090

LaBelle Day Spas have introduced a collection of MomME signature treatments, broken down into Bodies, Faces and Style. The offerings help get the body into pre-pregnancy shape and include private consultations, skin care services and conferences with a LaBelle Medi Spa physician. service@labeledayspa.com

Clients at Body by Brooklyn Spa & Lounge in New York City can now savor blueberry pancakes, eggs Benedict and other brunch favorites with the spa's Sunday Brunch service. After dining on tasty menu options, clients can experience the Wet Lounge, which includes a Turkish steam room, Swedish and Russian saunas, and an Arctic plunge pool. 718-923-9400, info@bodybybrooklyn.com

Clients at Farmington Hills, MI's Tamara Spa+Wellness can now enjoy a golden service with its new 24kt. Gold Facial. Based on ayurvedic techniques and helping to firm skin and reduce wrinkles, the soothing facial includes 24-karat gold cream and gel, as well as aloe vera, wheat germ oil and sandalwood. 248-855-0474, tamaraspa2@aol.com
